I know she's a tracker, any scarlet would back her  
They say she's a chooser, but I just can't refuse her  
She was just there, but then she can't be here no more  
And as my mind unweaves, I feel the freeze down in  
my knees  
But just before she leaves, she receives

She's been down in the dunes and she's dealt with the  
goons  
Now she drinks from the bitter cup, I'm trying to get her  
to give it up  
She was just here, I fear she can't be here no more  
And as my mind unweaves, I feel the freeze down in  
my knees  
But just before she leaves, she receives

It's long, long when she's gone, I get weary holding on  
Now I'm coldly fading fast, I don't think I'm gonna last  
Very much longer

"She's stoned" said the Swede, and the moon calf  
agreed  
I'm like a viper in shock with my eyes in the clock  
She was just there somewhere and here I am again  
And as my mind unweaves, I feel the freeze down in  
my knees  
But just before she leaves, she receives
