Well, I want somebody  
To tell me what's wrong with me  
I want somebody  
To tell me what's wrong with me

No I ain't in trouble  
I'm in so much misery

Now, Fannie Mae  
(Fannie Mae)  
Baby won't you please come home  
(Fannie Mae, my Fannie Mae)

Fannie Mae  
(Fannie Mae)  
Baby won't you please come home  
(Fannie Mae, my Fannie Mae)

Now, I ain't been myself  
Girl, since you've been gone  
(Fannie Mae, my Fannie Mae)

I can hear your name a ringing  
On down the line  
(Fannie Mae, Fannie Mae)

Yeah, I can hear your name ringing  
On down the line  
(Fannie Mae, Fannie Mae)

I wanna know do you love me  
Or am I just wasting my time

Now, Fannie Mae  
(Fannie Mae)  
Baby won't you please come home  
(Fannie Mae, my Fannie Mae)

Fannie Mae  
Baby won't you please come home  
(Fannie Mae, my Fannie Mae)

Girl I ain't been myself  
Honey, since you've been gone  
(Fannie Mae, my Fannie Mae)

I'm crying oh  
Oh, woe, woe, po' me  
Crying oh  
Oh, oh, oh, po' me

No I ain't in trouble  
I'm in so much misery

Fannie Mae  
(Fannie Mae)  
Baby won't you please come home  
(Fannie Mae, my Fannie Mae)

Fannie Mae  
Baby won't you please come home  
(Fannie Mae, my Fannie Mae)

Now, I ain't been myself  
Girl since you've been gone
