Close your eyes, Take a stand,
It's ok I know where we're going.
Don't fret, I've been before
through these valleys, down these long and dangerous
walls
Yet dark as they seem...

Chorus: Trust Me, Though you can't see
You can trust me, the way may be steep.
You can trust me, Let me lead, Trust me

Open your eyes but don't let go of my hand.
Let your tears give way to smiles, see the joy inside the
trial.
Don't worry, you're safe with me around.
Rest assured I'm on your side, I won't let you hit the
ground.
Yet, close as it seems...
(chorus)

Bridge: See I know that what's in front of you isn't
always clear.
But you must believe it in your heart that I'm here, I'm
here
(Chorus 2x's)
You can trust me, You can trust me, You can trust me,
Let me lead
Trust me
