I met a fan dancer  
Down in South Side Birmingham  
She was running from a fat man  
Selling salvation in his hand  
Now he's trying to save me  
We'll I'm doing alright the best that I can  
Just another fallen angel  
Trying to get through the night

Step by step, one by one, higher and higher  
Step by step, rung by rung climbing Jacob's ladder

Coming over the airwaves  
The man says I'm overdue  
Sing along, send some money  
Join the chosen few  
Well mister I'm not in a hurry  
And I don't want to be like you  
And all I want from tomorrow  
Is to get it better than today

Step by step, one by one, higher and higher  
Step by step, rung by rung climbing Jacob's ladder
