Moving on the evening of the 87th day  
Maybe a solution might affect you right away  
Jesus taught himself, a certain state of mind  
Line em up, move em along, haven't got much time

(Chorus)

Who cares? no one's talking anyway  
Who cares? won't the problem go away  
Who cares? change the channel, standard shift  
Who cares? does any body give a shit?

Dimwits on the freeway stay alive at 55  
Politicians speeding, just trying to survive  
Couldn't stop the press, what was a bloody mess  
Mashin' down a paper sack and couldn't pass the test

(Repeat Chorus)
