My name is Jerry Lee Lewis, come from Louisiana

I'm gonna do you a little boogie on this here piano

Doing mighty fine, I'm gonna make you shake it

I'll make you do it and make you do it until you break it

It's called the Lewis boogie, in the Lewis way

Lord, I do my little boogie woogie every day

Well, down in New Orleans, the land of dreams

The best doggone place, son, you have ever seen

The cats go wild, do a boogie that's hot

My boogie woogie makes you want to stop and do the  
bop

It's called the Lewis boogie, in the Lewis way

Lord, I do my little boogie woogie every day

Aw,

Oh, boy!

Well, now let's cruise on down to old Memphis town

That's where that Presley boy said you ain't nothing but  
a hound

But now you take my boogie, it keeps you in the groove

Then your sacroiliac begins to shiver and a move

It's called the Lewis boogie, in the Lewis way

Lord, I do my little boogie woogie every day

Oh, boogie woogie

When your hips start rockin'

And your knees start knockin'

Lewis boogie, Lewis way

Lord, I do my little boogie woogie every day
