Yeah, if you wanted me, you could've had me, baby,
A long time ago, easier than you know.
You were the sun, or the moon pullin' the tide.
You were the clouds wrappin' 'round my head in the
sky.

Yeah, if you wanted me,
You could've had me, baby.

Oh you should've seen me, on my knees all sad and
cryin' -
But you never cared to look. No, you were too busy
lyin'...
So I professed my love, and was answered by an empty
room,
And now you're returning, and beggin' me to forgive
you.

Oh, but I'm sorry, babe,
You could've had me (if you wanted me)...

If you wanted me, you could've had all of me!
Oh, and I wanted you, babe, but you wouldn't have
none of it!
