You act like you wanna  
But you say you don't  
I'd like to discuss it with ya  
But you wont  
Yeah and half the time  
You're on my mind  
And it makes things go  
A little more slowly

So  
So if you like me  
Why don't you kiss me  
Let me down easy  
Wont you please oh please  
Make it easy on me

And if you want me  
You should just tell me  
Let me down easy  
Wont you please  
Make it easy on me

I guess it's been a long time  
So I'm hungry for love  
And you know a little affection  
Could get the job done  
So wont you hold my hand  
Or be half a man  
And tell me honestly  
How I fit into your plans

Yeah if you like me  
You could just kiss me  
Let me down easy  
Wont you please oh please  
Make it easy on me

And if you want me  
You should just tell me  
Let me down easy  
Wont you please  
Make it easy on me

I'm not trying to push ya  
But my heart is on my sleeve  
And it's strange  
Since it's usually under lock and key  
This isn't a game  
Don't let me take it out in vain  
Don't make me sing another song  
About how you're stringing me along

Yeah if you like me  
Why don't you kiss me  
Let me down easy  
Wont you please oh please  
Make it easy on me

And if you want me  
You should just tell me  
Let me down easy  
Wont you please oh please  
Make it easy, oh make it easy please  
Make it easy on me
