"Vengeance Bitterness"

I saw the betrayer falling
I saw the betrayer crying
I saw the etrayer dying
But nothing soothed my suffering.
Cut by the blade of my own sword,
I feel deep breaks inside my world.
Lost in the maze of bitterness
I'm lost in infinite sadness
Pain
I saw his face bleeding
I saw his face spoiling
But I'm lost in sadness,
I'm lost in bitterness,
Vengeance bitterness.
Revenge my one and only goal;
Vengeance.
The blackest heart heading to fall
Lost in the maze of bitterness,
I'm lost in infinte sadness.
