[Chorus:]

Dance with me
I see you looking at me
I can tell by your eyes that your feeling me
and I really want you to get close to me.
So want you dance with me...dance with me.
My drop tops in the parking lot
and I wanna take you back to my spot.
We can snuggle a little, more time to us.
So want you dance with me...dance with me!

I can see you over there just chillin' with your
girlfriends, can't
believe your by your self you should be here with me,
chillin' with me,
drinkin' with me, freakin' with me. Oooohhh whoa,
