The chicks on hotty stilettos
Lets get some steam in the kettle
DJ's droppin' the bangers
Nobody's checkin' your manners
Just give me one hot tune, just give me hot tune

If I step to you
will you let me through
Can I get next to you
Show you somethin' new ?
DJ's droppin' the bangers
I ain't checkin' your manners
Lets go crazy bananas

Wanna make you move
But I take it slow
Cause this is time's proof
Who can take control ?
Cause the hotty stilettos
Get some steam in the kettle
We don't care
We let it go
'till we take it home

You don't need a boyfriend
You need a real man
Stay at the battle
Jump at it, baby, I can
You don't need a boyfriend
You need a real man
For the weekend

We both know the game
But I ain't try to play
I wanna make a change
Take you far away

It's some physical action
Feel her body's reaction
Give you pre-satisfaction
Can I take you home ?

You don't need a boyfriend
You need a real man
Stay at the battle
Jump at it, baby, I can
You don't need a boyfriend
You need a real man
For the weekend

The chicks on hotty stilettos
Let's get some steam in the kettle
DJ's droppin' the bangers
Nobody's checkin' your manners
Just give me one hot tune, just give me one hot tune

It's some physical action
Feel her body's reaction
Give you pre-satisfaction
Can I take you home ?

I'll show you one real man
I'll show you one real man

You don't need a boyfriend
You need a real man
Stay at the battle
Jump at it, baby, I can
You don't need a boyfriend
You need a real man
For the weekend
