(ft. Stephany)

Risin' up, back on the street Did my time, took my chances Went the distance, now I'm back on my feet Just myself and a will to survive.

So many times, it happens too fast You change your passion for glory, glory Don't lose your grip on the dreams of the past You must fight just to keep them alive, survive.

Chorus:

It's the eye of the tiger, it's the thrill of the fight Risin' up to the challenge of our rival And the last known survivor stalks his pray in the night And he's watchin' us all in the eye of the tiger.

Face to face, out in the heat Hangin' tough, stayin' hungry They stack the odds still we take to the street For we kill with the skill to survive

Chorus:

It's the eye of the tiger, it's the thrill of the fight Risin' up to the challenge of our rival And the last known survivor stalks his pray in the night And he's watchin' us all in the eye of the tiger.

Risin' up, straight to the top Have the guts, got the glory Went the distance, now I'm not gonna stop Just myself and the will to survive.

[Chorus:]

The eye of the tiger Of the tiger Of the tiger Of the tiger
