If someone stood up in a crowd  
And raised his voice up way out loud  
And waved his arm  
And shook his leg  
You'd notice him

If someone in a movie show  
Yelled "fire in the second row  
This whole place is a powder keg!"  
You'd notice him

And even without clucking like a hen  
Everyone gets noticed, now and then  
Unless, of course, that personage should  
Be  
Invisible, inconsequential me

Cellophane  
Mister cellophane  
Should have been my name  
Mister cellophane  
'Cause you can look right through me  
Walk right by me  
And never know I'm there

I tell ya  
Cellophane  
Mister cellophane  
Should have been my name  
Mister cellophane  
'Cause you can look right through me  
Walk right by me  
And never know I'm there  
Suppose you was a little cat  
Residin' in a person's flat  
Who fed you fish and scratched your  
Ears?  
You'd notice him

Suppose you was a woman wed  
And sleepin' in a double bed beside one man for seven  
years

You'd notice him

A human being's made of more than air  
With all that bulk, you're bound to see  
Him there

Unless that human bein' next to you  
Is unimpressive, undistinguished  
You know who

Should have been my name  
Mister cellophane  
'Cause you can look right through me  
Walk right by me  
And never know I'm there  
I tell ya  
Cellophane  
Mister cellophane  
Should I bend my name  
Mister cellophane  
'Cause you can look right through me  
Walk right by me  
And never know I'm there  
Never even know I'm there
