Give 'em the old razzle dazzle
Razzle dazzle them
Give 'em an act with lots of flash in it
And the reaction will be passionate

Give 'em the old hocus pocus
Bead and feather 'em
How can they see with sequins in their eyes?
What if your hinges all are rusting?
What if in fact you're just disgusting?

Razzle dazzle them
And they'll never catch lies

Give 'em the old razzle dazzle
Razzle dazzle them
Give them a show that's so splendiferous
Row after row of robociferous

Give them the old flim-flam-flummox
Fool and fracture them
How can they hear the truth above the roar
(Roar, roar, roar!)
Throw them a fiction off a magel
They'll never know you're just a bagel
Razzle dazzle them, and they'll beg ya for more

Give 'em the old double-whammy
Daze and dizzy 'em
Back since the days of ol' Methusala
Everyone loves the big bamboozala

Give 'em the old three-ring-circus
Stun and stagger them
When your in trouble go into your dance
Though you are stiffer than a girder
They'll let you get away with murder

Razzle dazzle them and ya got a romance

Give 'em the old razzle dazzle
Razzle dazzle them

Show 'em the first-rate sorcerer you are
As long as you keep 'em way off balance
How can they spot you've got no talent

Razzle dazzle them
(Razzle dazzle them)

Razzle dazzle them
And they'll make you a star
