Another World
All the lives are washed
Away by bloodshed
No one's left
To take away the dead
Rats will chew the bones
Of those who crumbled
Death will roam this land
So black and cold
Heartless people sucks
Out all the life-force
Left in those who fight
With no remorse
Truth will be defeated
By the madmen
Truth is strangled
By the insane
Another world
A different world
Will we see destruction
Of our own fate
Can we stop
Before it's too late
If you are a witness
To the slaughter
You will be the one
Who holds the sword
We need a another world
