Summer's over  
Autumn leaves  
Fall down gently  
To color the streets  
Nights get longer  
Growing cold  
And when you're lucky  
There's someone to hold

To all lonely people here's what we say

CHORUS:

Go hand in hand for Christmas Day x2  
Go for freedom  
Go for love  
For peace and justice  
That's what we dream of  
Nobody should ever  
Be alone  
Just like a poor dog  
Without any home

Let's all get together here's what we say

CHORUS

Some lives roll easy  
And others so bad  
Some people need our helpin' hands  
This time of the year  
We all should be glad and be friends  
Let's be friends

Everybody  
In this world  
Each man and woman  
All boys and girls

So happy together  
Don't walk away

CHORUS
