Step by step  
The closer I get to you  
Gonna get to you girl  
Step by step  
The closer I get to you  
Step by step  
The closer I get to you

Step by step ,oh baby  
Gonna get to you girl  
Step by step ,oh baby  
Really want you in my world

Hey girl in your eyes  
I see a picture of me all the time  
And girl when you smile  
You got to know that you drive me wild

Step by step, oh baby  
Youre always on my mind  
Step by step, oh girl  
I really think it's just a matter of time

Step by step, oh baby  
Gonna get to you girl  
Step by step ,oh baby  
Really want you in my world

Hey girl can't you see  
I got to have you all just for me  
And girl, yes It's true  
No one else will ever do

Step by step ,oh baby  
Youre always on my mind  
Step by step,oh girl  
I really think it's just a matter of time

Step by step ,oh baby  
Gonna get to you girl  
Step by step ,oh baby

Really want you in my world

Step, Step, Step, Step by step

Step 1 We can have lots of fun  
Get down girl and move it all around  
To the sound just rock and roll  
Take it step by step and keep control  
Step 2 There's so much we can do  
Its all about me and it's all about you  
Girl I wanna make you mine  
Understand how I feel cause nows the time  
Step 3 It's just you and me  
Me with you is how I want to be  
Together, forever go step by step  
We can love forever  
Step by step

Step by step  
I really think it's just a matter of time  
Step by step  
The closer I get to you  
Gonna get to you girl  
Step by step, oh baby  
Really want you in my world

Step by step  
The closer I get to you  
Step by step  
The closer I get to you  
Step by step, oh baby  
Really want you in my world

Step by step
