Yo, it's a big world  
(For real)  
You probably think I'm out there being a player, uh  
(What, ha, ha)  
But yo, if I can't have you, then I don't want anybody  
That's my word, so check it out

If I can't have you, I don't want nobody baby  
If I can't have you, no, ho  
If I can't have you, I don't want nobody baby  
If I can't have you, whoa, oh

I got the latest fashion E-classing, body just smashing  
Time for some action when I hooked you up  
Then I hooked up my last one on and on, got a join  
cash fund  
Forget your last one, he ain't much

Mad 'cause it's me not him you touch  
In the nighttime, when the lights go out  
No doubt Rich's nice is the name you shout  
Yes, yes yallin' till the break of dawnin'

Yeah, yeah that's it don't stop, don't quit  
Baby girl and Rich, we always into something  
If it's not you then it's nothing

If I can't have you, I don't want nobody baby  
If I can't have you, no, ho  
If I can't have you, I don't want nobody baby  
If I can't have you, whoa, oh

1, 2, 3, 4, 5 baby just keep it moving all night  
Need you by my side from dark to sunlight  
Everything from side to side is alright  
(Uh)  
Listen, we can break Fu baby act crazy

Make waves like a pool baby, woo maybe  
We can shake the dawn brakes, girl face it  
Everything you want just take it

Shine bright like constellations  
Girl you got my heart congratulations  
No need to lie, you're the meaning to my song  
When it's on and it's on and it's on  
(Right)

If I can't have you, I don't want nobody baby  
If I can't have you, no, ho  
If I can't have you, I don't want nobody baby  
If I can't have you, whoa, oh

Doo, nada, doo doo doo  
(Clap to this)  
Doo, nada, doo doo doo  
(Come on)

Doo, nada, doo doo doo  
(Clap ya hands)  
Yeah, yeah, yeah  
(Nobody)

If I can't have you, I don't want nobody baby  
Da, da, da, da, da, da, da  
But you, you  
(Yeah, yeah, yeah)

I think about ya often let's take a little walk out in  
Boston  
Hit boutiques then freak on down street around ten  
Lay low like grass, let's spend a few ends  
And I'll rhyme for you, do time for you  
Calculate and carry out the perfect crime for you  
Let me shine wit' you, true you won't regret it  
But if it's not you then forget it, forget it

I don't want nobody else but you  
(Da, da, da, da, da, da)  
Nobody, nobody  
Something 'bout those freaky things you do  
(Da, da, da, da, da, da)  
Ain't no one else but you

If I can't have you, I don't want nobody baby  
If I can't have you, no, ho  
If I can't have you, I don't want nobody baby  
If I can't have you, whoa, oh

If I can't have you then I don't want nobody  
If I can't have you then I don't want no one  
(Nobody else, nobody else)

If I can't have you then I don't want nobody  
If I can't have you then I don't want no one  
(Nobody else, nobody else)

If I can't have you, I don't want nobody baby  
If I can't have you, no, ho  
If I can't have you, I don't want nobody baby  
If I can't have you, whoa, oh
