"I Don't Wanna Kiss You Goodnight"

I can't believe the night is gone
And now it's time to take you home
Girl, as you come in close to give me one last kiss
Makin' it hard to be leave
Don't want to leave you like this no
(chorus)
Cause I don't wanna kiss you goodnight
If a kiss means this night is over
I don't wanna have to say goodbye
Girl, don't leave me standing at your door
When this night could lead to so much more
I wanna hold you, I wanna touch you, so when I kiss you
Don't wanna kiss you goodnight
I used to see you in my dreams
(hoping one day they'd come true)
And there you give yourself to me
But now we're standing here
And I'm holding you and it's never felt so right
Don't wanna leave you here
Can I come inside and kiss you the way you like
(chorus)
I don't wanna kiss you goodnight
If a kiss means this night is over
I don't wanna have to say goodbye, no, no, no
Girl don't leave me standing at your door
When this night could lead to so much more

I wanna hold you, I wanna touch you, so when I kiss you
Don't wanna kiss you goodnight
I wish this night could be endless
Baby, feeling your skin on my skin
I'll take my time to make you breathless
Girl, we can do it again and again
(chorus)
I don't wanna kiss you goodnight
If a kiss means this night is over
I don't wanna have to say goodbye, no, no, no
Girl don't leave me standing at your door
When this night could lead to so much more
I wanna hold you, I wanna touch you, so when I kiss you
Don't wanna kiss you goodnight
I don't wanna kiss you goodnight

If a kiss means this night is over
I don't wanna have to say goodbye, no, no, no
Girl, don't leave me standing at your door
When this night could lead to so much more
I wanna hold you, I wanna kiss you, so when I kiss you
Don't wanna kiss you goodnight
Ooh baby...
Goodnight...

If a kiss means this night is over
I don't wanna have to say goodbye, no, no, no
Girl, don't leave me standing at your door
When this night could lead to so much more
I wanna hold you, I wanna kiss you, so when I kiss you
Don't wanna kiss you goodnight
