Y'all wake up

CHORUS

Who's that donning the Armani Pearls?

Me-the black sheep of the herd

Who's that sittin' on top of the world?

Me-at the head of the heap

Who's that givin' y'all the wake-up call?

Me-and y'all slept too late

One for the money and two for the show

Boom-sha-lak-lak-boom

Yeah that's me

Some said we would make it

And some people just hate it

And though it took so long for radio to play our song

I dedicate this one to you and you and you

CHORUS

Hold up

Wait a minute

Bring the beat back cuz I'm not finished

Yeah, yeahÂ...

Here's a little somethin' that needs to be heard yo

I was on the mic check

(One, two.. Word)

Chillin' all alone

No one to be wit

Just lookin' for some honeys to be on my tip

???????????????

Slip a sucka emcee's head through the rim

You can't see what I can see

Cuz it's all about the capital M to the E

Close your eyes and take a ride with me

CHORUS

Did you feel me, babe?

In the days when I didn't have nothin' babe

Could you tell that one day I'd be someone baby  
Be on TV, and still stay the same old me yes me yes  
me

CHORUS

Hold up  
Wait a minute  
Bring the beat back cuz I'm not finished

CHORUS

Close your eyes and take a ride with me

CHORUS
