CHORUS

I wanna sex u up

I know the way you like it

Let me freak you out

I wanna sex u up

I know the way you like it

Let me freak you out

Girl, you are my destiny

Baby, I like the way you walk, the way you talk

And you, you are a mystery

Come on baby let me inside

I wanna sex u up that's right

Come on now let's get it on tonight

Said I wanna sex u up

Come on now let's get it on

CHORUS

I wanna sex u up and down

Freak it to the sound let's toss it around

Come on now as I feel the rhythm as I hit 'em

Your boots that is as I side up in them

Well let's flip it side to side

We'll take it slow then fast for a funky ride

And we'll make it last the whole night long

Cuz I wanna sex u up babe get it on

CHORUS

I wanna sex u up that's right

Come on now let's get it on tonight

Said I wanna sex u up

Come on now let's get it on

All I wanna do is hold you tonight

And baby it's time for you and me can't you see

You, you know I treat you right

Come on baby let me inside

Hey I, Hey I, I wanna rock w/you

Hey I, Hey I, do you feel it too (x2)
