Yeah

I like it when boys stop by

In the summer

Do you remember

When we met

That summer

Mickey mouse club had a bunch of kids

Now that devin's here, where is brizz

And I think it's fly when backstreet boys stop by

For the summer

I like guys that wear boxer briefs

I like to take them off with my teeth

And he's been gone since that summer

Since that summer

Blow pops, gatorade, mtv

Met you last summer when your car hit me

You're probably the finest guy that I ever

Did see

The great michael jordan jersey 23

When joey does a shot, he buzzes like a stallion

Emmeril lagassi likes to cook with scallions

Call me when you're horny and I'll be there baby

Put me in handcuffs, it will drive me crazy

Heard a deepa flow, now I ain't buggin'

Ricky schroder was ricky stratton

When I met you, I said call me trixie

You look like a guy that shops at winn dixie

Mickey mouse club had a bunch of kids

Now that devin's here, where is brizz

And I think it's fly when *n sync stops by

For the summer

I like guys that wear boxer briefs

I like to take them off with my teeth

And he's been gone since that summer

Since that summer

Cocoa puffs, eggo's, schlotzky's deli

The family auto mart guy has a big ol' belly

Never understood that bell bottom style

A comma dash closed paranthesis makes a smile

Love chris kirkpatrick and fumanskeeto

Can I request hanson, hell no

Like the color green, cheese and macaroni
Are britney's boobs real or are they phony
I like the smell of markers and duct tape
Leonardo's a hottie, what's eating gilbert grape
When I met you I lied and said hi, I'm pat
You look like a guy that shops at the gap
Mickey mouse club had a bunch of kids
Now that devin's here, where is brizz
And I think it's fly when lfo stops by
For the summer
I like guys that wear boxer briefs
I like to take them off with my teeth
And he's been gone since that summer
Since that summer
