Yeah, I like it when the girls stop by  
In the summer  
Do you remember?  
Do you remember  
When we met that summer...  
Chorus 1:  
New kids on the block had a bunch of hits  
Chinese food makes me sick  
And I think it's fly when girls stop by for the  
Summer, for the summer  
I like girls that wear abercrombie and fitch  
I'd take her if I had one wish  
But she's been gone since that summer,  
Since that summer  
Hip-hop mama layed spic & span  
Met you one summer and it all began  
You're the best girl that I ever did see  
The great larry bird, jersey 33  
When you take a sip, you buzz like a hornet billy  
Shakespeare wrote a whole bunch of sonnets  
Call me willy whistle cause I can't speak baby  
Somethin' in your eyes went and drove me crazy  
Now I can't forget you and it makes me mad left one  
Day and never came back  
Stayed all summer then went back home  
Mccaullay culkin wasn't home alone  
Fell deep in love, but now we ain't speakin'  
Michael j. fox was alex p. keaton  
When I met you I said my name was rich  
You look like a girl from abercrombie and fitch  
Chorus 2  
New kids on the block had a bunch of hits  
Chinese food makes me sick  
And I think it's fly when girls stop by for the  
Summer, for the summer  
I like girls that wear abercrombie and fitch  
I'd take her if I had one wish  
But she's been gone since that summer,  
Since that summer  
Cherry pez, coke, crush rock, stud boogie  
Used to hate school, so I had to play hookie  
Always been hip to the b-boy style

Known to act wild and make a girl smile  
Love new edition and the "candy girl"  
Remind me of you because you rock my world  
You come from georgia where the peaches grow  
They drink lemonade and speak real slow  
You love hip-hop and rock & roll  
Dad took off when you were 4 years old  
There was a good man named paul revere  
I feel much better baby when you're near  
You love fun dip and cherry coke  
I like the way you laugh when  
I tell a joke when I met  
You I said my name was rich  
You look like a girl from abercrobie and fitch

Chorus 3

New kids on the block had a bunch of hits  
Chinese food makes me sick  
And I think it's fly when girls stop by for the  
Summer, for the summer  
I like girls that wear abercrombie and fitch  
I'd take her if I had one wish  
But she's been gone since that summer,  
Since that summer

In the summertime girls got it goin' on  
Shake and wiggle to a hip-hop song  
Summertime girls are the kind I like  
I'll steal your honey like I stole your bike  
Boogaloo shrimp and pogo sticks  
My mind takes me back there oh so quick  
Let you off the hook like my man mr. limpit  
Think about that summer and I bug cause I miss it  
Like the color purple, macaroni and cheese  
Ruby red slippers and a bunch of trees  
Call you up, but what's the use  
I like kevin bacon, but I hate footloose  
You came in the door I said it before  
I think I'm over you, but I'm really not sure  
When I met you I said my name was rich  
You look like a girl from abercrombie and fitch

Chorus 4

New kids on the block had a bunch of hits  
Chinese food makes me sick  
And I think it's fly when girls stop by for the  
Summer, for the summer  
I like girls that wear abercrombie and fitch  
I'd take her if I had one wish  
But she's been gone since that summer,  
Since that summer  
In the summer girls come and summer girls go  
Some are worthwhile and some are so so  
Summer girls come and summer girls go

Some are worthwhile and some are so so  
Summertime girls got it goin' on  
Shake and wiggle to a hip hop song  
Summertime girls are the kind I like  
I'll steal your honey like I stole your bike  
Chorus 5:  
New kids on the block had a bunch of hits  
Chinese food makes me sick  
And I think it's fly when girls  
Stop by for the summer, for the summer  
I like girls that wear abercrombie and fitch  
I'd take her if I had one wish  
But she's been gone since that summer,  
Since that summer
