(chorus)

Veronica's a song that's in my head
Veronica's a name I've often said
But her friends say she's too good for me
It's kinda like a west side story
She's the only one for me
She's the only girl I see
Can't seem to find a damn thing wrong with ya -
Veronica
Everyday, I see her friends talkin' 'bout me
But I know there's somethin' there tha no one can see
It reminds me of romeo and juliet
Like we're livin' on a movie set
Montague and capulet
Make your daddy sweat cause he wishes we had never
met
She says that I just make her world go round
God knows I feel it too
I'm so in love, I'm so in love
I'm so in love with you

(chorus)

Your brothers say it's over now,
They're lookin' for me
But I know there's something there that no one can see
It reminds me of romeo and juliet
Like we're livin' on a movie set
I'm a shark and you're a jet
Make your mama sweat cause she wishes we had
never met
She says that I just make her world go round
God knows I feel it too
I'm so in love with you

(rap)
Johnny rocket, got her number in my pocket
We was on the run, daddy got a gun
Stop it
Playing with veronica, she got me now
But her brother got a biscuit and it might go pow
I'm shakin and bakin and makin the bacon and doin
what
You and your crew ain't doin I'm grabbin the mic
And smackin the mic
And I'm still on beat!!
You can't stop the bum rush and you can't stop love,
So it's time to knuckle up and pray to the lord above
She said that I just make the world go round
God knows I feel it too
I'm so in love
With you
