*[Chorus]*

Veronica's a song thats in my head,  
Veronica's a name i've always said,  
But her friends say she's too good for me,  
It's kinda like a westside story  
She's the only one for me, she's the only girl i see,  
Can't seem to find a damn thing wrong with  
her, Veronica

*[Verse 1]*

Everyday I see her friends talking 'bout me  
But I know there's something there that no one can see  
It reminds me of Romeo and Juliet,  
Like were livin' on a movie set.  
Montague and Capulet, make your daddy sweat,  
Cuz he wishes we had never met,  
Says that I can make her world go 'round  
God knows I feel it too  
I'm so in love  
I'm so in love I'm so in love with you

*[Repeat Chorus]*

*[Verse 2]*

Your brothers say it's over now, there lookin' for me  
But I know there's something there that no one can see  
It reminds me of Romeo and Juliet  
Like we're living on a movie set  
I'm a shark and you're a jet  
Make your mommy sweat cuz she  
wishes we had never met  
Says that I can make her world go 'round  
God knows I feel it too  
I'm so in love with you

*[Repeat Chorus]*

*[Rich's Rap]*

Johnny rock it Got her number in my pocket  
We was on the run,daddy got a gun  
Stop it,playin' with veronica,she got me now.  
But her father got a biscut and it might go pow  
I'm shakin and breakin and makin and bakin  
and doing what she aint  
Crooning and tuning i'm dropping the mike  
and smacking the mike,  
And i'm still gonna be  
You can't stop the gold rush  
and you can't stop love  
So its kinda like a love being prayed to the Lord above  
Says that I just make the world go 'round  
God knows I feel it too  
I'm so in love...with you  
*[Repeat Chorus]*
