yo it's a big world (for real)
you think I'm out there being a playa, huh? (ha ha)
But yo, but if I can't have you
then I don't want anybody
that's my word so check it out.....

=====chorus=====

if I can't have you
I don't want nobody baby
if I can't have you
no oh oh
if I can't have you
I don't want nobody baby
whoa oh oh

You've got the latest fashion
Keep classin'
Bodies just slashin'
Time for some action
When I hooked you up then I hooked up my last one
All and all got a joint cash fund
Forget your last one
He ain't much
Mad cuz it's me not him you touchin'
Night time when the lights go out
no doubt, Rich Nice is the name you shout
Yes, yes, yes yawing 'till the break of dawn
Yeah, yeah, yeah, that's it don't stop, don't quit
Babygirl and Rich we're always into something
If it's not you then it's nothing

=====chorus=====

1, 2, 3, 4, 5.....Baby just keep it moving all night
want you by my side from dark to sunlight
everything is side to side is alright
listen--If we can break the fool Baby, act crazy Make
rich like a fool, baby
you can shake the dawn, baby Girl,
face it anything you want girl just take it
shine bright like constellations girl, you got my heart---
congratulations

no need to lie you're the meaning to this song
when it's on then it's on and it's on and it's on

=====chorus=====

clap to this come on
clap your hands I think about you often
let's take a little walk down Boston You can teach
them freak on Landsdowne street
around ten, lay low like Brasco let's spend a few tens
and I rhyme for you do time for you
Calculate and carry out the perfect crime for you
Let me shine with you True you won't regret it
But if it's not you then forget it
bridge:
I don't want nobody else but you
Something 'bout those freaky things you do

=====chorus=====

if I can't have you then I don't want nobody if I
can't have you then I don't want no one

=====chorus=====

(fade till the end)
