C'mon.. (na na na na)  
I said lets talk about it as she walked out on me and  
slammed the door  
But I just laugh about it 'cause she's always playin'  
those games...(C'mon)  
Deep down I know she loves me, but she got a funny  
way of showin' me  
how she cares (she cares)  
Last night she did a doughnut on my lawn  
and drove off with one finger in the air (oh yeah)

Chorus:

Sometimes it's black, sometimes it's white,  
Sometimes she's wrong, sometimes I'm right,  
Sometimes we talk about it and we figure it out,  
but then she just changed her mind  
Sometimes she's hot, sometimes I'm cold  
Sometimes my head wants to explode,  
but when I think about it, I'm so in love with her  
Every other time  
Yeah, every other time  
(na na na na)

Sometimes we sit around just the two of us on a park  
bench  
Sometimes we swim around like two dolphins in the  
ocean of our hearts  
But then I think about the time when we broke up before  
the prom  
and you told everyone that I was gay...ok  
Sometimes I walk around the town for hours just to  
settle down  
but I take you back and you kick me down  
'Cause that's the way uh-huh uh-huh I like it.

Chorus

Keep it up homegirl don't you quit  
You know the way you scream is the ultimate  
And when I walk away just watch the clock  
I bet I don't even get around the block  
I said let's talk about it as she walked out on me and

slammed the door  
One day we'll laugh about it, 'cause we're always  
playin' those games  
(na na na na na, na na n- every o- every other time...)  
Chorus

(na na na na)
