Now I've always said that love
Was nothing more than a waste of my time
I've always thought I'd be above these feelings
Always seem to mess with my mind
I said you'd never catch me in the corner of my room
Gazing at a picture of you
Now that all don't mean nothing
Cause every time I'm thinkin bout thinkin girl
I'm thinkin of you

Chorus:

And forever for the rest of my life
Thru it all girl I'll be right by your side
I'll give my heart baby I'll give you my mind
I'll be the one that brings the joy to your life
And if you're willing girl just give me a chance
And I promise that I'll be a good man
And forever for the rest of my life,
I'll be right by your side

2nd verse:

Now the love you give to me
Is Sweeter than the sprinkles on the top of Mama's
Apple Pie
I know I'm in love when I'm staring at the
Sparkles that appear in the corner of your eye
You don't have to worry
Bout the things that I said before
Because I'm so in love
And ain't nothin gonna stop me no
I bet it on the moon and the stars in the sky above

Chorus

Bridge:

I never thought that it could happen to me that I
Could Fall In love
I can't believe it baby but I can see that you're
You are the only one I'm thinkin of
It doesn't matter baby I don't really care no more
As long as we're together
Baby I'll be right there

I won't go nowhere
I want your love forever

Chorus til fade
