Ohhhh...

I can't believe the night is gone  
And now it's time to take you home  
Girl as you come in close to give me one last kiss  
You're making it hard to be so near ya  
Don't wanna leave you like this no, Cause...

Chorus

I don't wanna kiss you goodnight  
If a kiss means this night is over  
I don't wanna have to say goodbye  
No no no  
Girl don't leave me standing at your door  
When this night could lead to so much more  
I wanna hold you (hold you)  
I wanna touch you (touch you)  
So when I kiss you  
Don't wanna kiss you good night

I used to see you in my dreams (hoping one day they'd  
come true)  
And then you gave yourself to me  
But now we're standing here  
And I'm holding you  
And it's never felt so right  
Don't wanna leave it here  
Wanna come inside  
And kiss you where you like

Chorus

I don't wanna kiss you goodnight  
If a kiss means this night is over  
I don't wanna have to say goodbye  
No no no  
Girl don't leave me standing at your door  
When this night could lead to so much more  
I wanna hold you (hold you)  
I wanna touch you (touch you)  
So when I kiss you,  
Don't wanna kiss you good night

I wish this night could be endless  
Baby feeling your skin on my skin  
I take my time to make you breathless  
Girl we can do it again and again

Chorus (2x)
