OOhh Oohh Yeah
And it sounds so good
It sounds so nice
Chorus:
Come down to my block
Come around my way
that's where the playas play
do what you wanna do
fill up a cup of gin and juice
we'll give you what you need
where are the g-u-e-s-t-s
(on my block)
I think it's plain to see
it's the place to be

The sun is beaming
another saturday
its time to kick it
and blow my cares away

nobody trippin
just tryin to have some fun
and if you need some
got drinks for everyone

this is your chance tonight
everythings gonna be alright

its our big superstore
its time to drink so more

Chorus

Come take a ride with me
in a big black truck
and all of you playa haters
wont you get off my nuts

i know a place you can go
and meet everybody i know
its got all the things
a playa likes

like sunshine and
straight thighs

we can play everyday
its summertime baby(summertime baby)
i wanna play
i wanna stay
in case you didnt know

Chorus

so bring some coney isle
we're gonna have a real good time
hey, and you cant have none of mine
all you ladies bring your friends
gotta pool
lets throw em in
oh yeah
its goin down tonight
its alright on the west side and
this is your chance tonight
everythings gonna be alright
lets hit the store
its time to drink some more

Chorus
