Yo, it's a big world (for real)
You probably think I'm out there being a playa, huh?
(what?)
But yo, but if I can't have you
Then I don't want anybody
That's my word
So check it out
(chorus)
If I can't have you
I don't want nobody baby (nobody)
If I can't have you
No-o-o (nobody else, nobody else)
If I can't have you
I don't want nobody baby
If I can't have you
Whoa-o-o, oh
You've got the latest fashion (uh)
E-classin'
Body's just smashin'
Time for some action (what?)
When I hooked you up then I hooked up my last one
All and all got a joint cash fund
Forget your last one
He ain't much (nah)
Mad cuz it's me not him you touch (you touch)
In the night time when the lights go out
No doubt (no doubt) Rich Nice is the name you shout
Yes, yes, y'all until the break of dawn
And yeah, yeah, that's it, don't stop (don't stop),
Don't quit
Babygirl and Rich we're always into something (yeah)
If it's not you then it's nothing (nah)
(chorus)
If I can't have you
I don't want nobody baby (nobody)
If I can't have you
No-o-o (nobody else, nobody else)

I think about you often (often)
Let's take a little walk out in Boston (Boston)
Hit boutiques, then freak on
Lansdowne Street around ten
Lay low like Brasco (what)
Let's spend a few ends
And I rhyme for you, do time for you (uh)
Calculate and carry out the perfect crime for you
(whu-whu-whu-what)
Let me shine with you, true, you won't regret it
But if it's not you then forget it (forget it)
I don't want nobody else but you (nobody)
Nobody, nobody
Something 'bout those freaky things you do
(nobody)
The things you do
Ain't no one else but you
(chorus)
If I can't have you
I don't want nobody (nobody) if I can't have you no-o-o

(nobody else, nobody else)
If I can't have you I don't want nobody baby (nobody)
If I can't have you
Whoa-o-o, oh (nobody else, nobody else)
If I can't have you then I don't want nobody (nobody)
If I can't have you then I don't want no one
(nobody else, nobody else)
If I can't have you then I don't want nobody (nobody)
If I can't have you then I don't want no one
