I said lets talk about it
As she walked out on me and slammed the door
But I just laugh about it
'Cause she's always playin' those games
Deep down I know she loves me
But she's got a funny way of showin' me how she cares
Last night she did a doughnut on my lawn
And drove out with one finger in the air
Oh, yeah
Sometimes it's black
Sometimes it's white
Sometimes she's wrong
Sometimes I'm right
Sometimes we talk about it
Or we figure it out
But then she'll just change her mind
Sometimes she's hot
Sometimes I'm cold
Sometimes my head wants to explode
But when I think about it
I'm so in love with her
Every other time
Yeah, every other time

Sometimes we sit around
Just the two of us on the park bench
Sometimes we swim around
Like TWO dolphins in the ocean of our hearts
But then I think about the time
When we broke up before the prom
And you told everyone that I was gay, OK
Sometimes I walk around the town
For hours just to settle down
But I take you back and you kick me down
'Cause that's the way, uh-huh uh-huh, I like it

Sometimes it's black
Sometimes it's white
Sometimes she's wrong
Sometimes I'm right
Sometimes we talk about it
Or we figure it out

But then she'll just change her mind
Sometimes she's hot
Sometimes I'm cold
Sometimes my head wants to explode
But when I think about it
I'm so in love with her
Every other time
Yeah, every other time

Every other time

Keep it up homegirl
Don't you quit
You know
The way you scream is the ultimate
And when I
Walk away just watch the clock
I bet I
Don't even get around the block

I said let's talk about it
As she walked out on me and slammed the door
One day we'll laugh about it
'Cause we're always playin' those games

Every other time

Sometimes it's black
Sometimes it's white
Sometimes she's wrong
Sometimes I'm right
Sometimes we talk about it
Or we figure it out
But then she'll just change her mind
Sometimes she's hot
Sometimes I'm cold
Sometimes my head wants to explode
But when I think about it
I'm so in love with her
Every other time
Yeah, every other time

Keep it up homegirl
Don't you quit
You know
The way you scream is the ultimate
And when I
Walk away just watch the clock
I bet I
Don't even get around the block
