I can't believe the night is gone  
And now it's time to take you home  
Girl, as you come in close to give me one last kiss  
Makin' it hard to be so near ya  
Don't want to leave you like this no  
(chorus)  
Cause I don't wanna kiss you goodnight  
If a kiss means this night is over  
I don't wanna have to say goodbye  
Girl, don't leave me standing at your door  
When this night could lead to so much more  
I wanna hold you, I wanna touch you, so when I kiss you  
Don't wanna kiss you goodnight  
I used to see you in my dreams  
(hoping one day they'd come true)  
And there you give yourself to me  
But now we're standing here  
And I'm holding you and it's never felt so right  
Don't wanna leave you here  
Can I come inside and kiss you the way you like  
(chorus)  
I don't wanna kiss you goodnight  
If a kiss means this night is over  
I don't wanna have to say goodbye, no, no, no  
Girl don't leave me standing at your door  
When this night could lead to so much more  
I wanna hold you, I wanna touch you, so when I kiss you  
Don't wanna kiss you goodnight  
I wish this night could be endless  
Baby, feeling your skin on my skin  
I'll take my time to make you breathless  
Girl, we can do it again and again  
(chorus)  
I don't wanna kiss you goodnight  
If a kiss means this night is over  
I don't wanna have to say goodbye, no, no, no  
Girl don't leave me standing at your door  
When this night could lead to so much more  
I wanna hold you, I wanna touch you, so when I kiss you  
Don't wanna kiss you goodnight  
I don't wanna kiss you goodnight  
If a kiss means this night is over

I don't wanna have to say goodbye, no, no, no  
Girl, don't leave me standing at your door  
(at your front door)  
When this night could lead to so much more  
I wanna hold you, I wanna kiss you, so when I kiss you  
Don't wanna kiss you goodnight  
Ooh baby...  
Goodnight...
