C'mon

I been up, I been down
I been side to side, I been buried alive
I been hurt, I been robbed
But I'm ok

I been hot, I get cold
I been in a cell
And outside as well
I'm a slob w/ no job but I'm alright

Cuz I don't wanna shout
And I don't wanna scream
And I don't wanna talk all night about these stupid
things
Because it's like that
And that's the way it is

I know everything I need to know now
Yeah that's the way it is
I know everything I wanna do now
And that's the way it is
I know pictures get faded
Yeah that's the way it is

Cuz it's like that

I get high, I been low
I can't turn around
I been upside-down
I choke cuz I'm broke all the time

Your not real but fad
I got a real good mom
I got a real good dad
I'm a creep
But I sleep just fine
And I don't wanna shout
And I don't wanna scream
And I don't wanna talk all night about these stupid
things

Because it's like that
And that's the way it is

I know everything I need to know now
Yeah that's the way it is
I know everything I wanna do now
And that's the way it is
I know pictures get faded
Yeah that's the way it is
I know everything I need to know now
Cuz that's the way it is
I know everything I wanna do now
And that's the way it is

I been up, I been down
I been side to side
I been buried alive
I been hurt, I been robbed
But I'm alright
Because it's like that
And that's the way it is
Yeah that's the way it is

It's like this now
It's like that now
Its like that-that-that-that it's like that now
We don't stop now
Just rock now
Let sunshine fall on me now
And that's the way it is

I know everything I need to know now
And that's the way it is
I know everything I wanna do now
Yeah that's the way it is

It's like this now
It's like that now
Its like that-that-that-that it's like that now
We don't stop now
Just rock now
Let sunshine fall on ur block now
And that's the way it is

I know everything I need to know now
And that's the way it is
I know everything I wanna do now
Yeah that's the way it is

It's like this now
It's like that now

Its like that-that-that-that it's like that now
We don't stop now
Just rock now
Let sunshine fall on ur block now
And that's the way it is
