\*\*\*CHORUS\*\*\*

Na Na Na Na Na  
I'm gonna lose my mind  
Na Na Na Na Na  
You are the reason why

\*\*\*VERSE 1\*\*\*

Left your heart by the front door baby  
You don't need to come round my way no more  
That's what my girlfriend said to me  
A 10/23..on a lonely Monday morn  
Found another and he treats me good  
Like you never could  
Go away.. I think you should  
Needed you but you weren't there  
So now I don't care  
Then she put a finger in the air...

\*\*\*BRIDGE\*\*\*

Baby how can u doubt my love  
When you're the reason i'm smilin(cuz baby love you're  
the reason why)  
If you deny my heart  
Then you should know that it's for you that it's aching  
Everything I'll ever need is you

\*\*\*CHORUS\*\*\*

\*\*\*VERSE 2\*\*\*

Yesterday I saw my ex girl at the mall  
With some kid by the name of Tommy Smith  
She was gonna sit  
In the corner of her eye she saw me staring at her and  
him  
She kissed him  
Then she smiled at me  
They both started laughing  
Then they walked passed me  
She was looking at him like she looked at me  
Right before we go home and do our thing  
I said gimme one more chance I love you  
Gimme another chance ..I can't live life without you  
She said get away from me boy I don't care  
Walked away with one finger in the air

\*\*\*BRIDGE\*\*\*

CHORUS

\*\*\*VERSE 3\*\*\*

Called her up on the telephone (my guess)it's only 2AM  
Moonlight shone through my window had a song by  
Hendrix in my head  
Never understood this girl,  
This thing called love and the world we're in  
Let it ring two more times, she wasn't there.  
Threw my finger in the air.
