(chorus)

Think (I think about you)

A-bout (I think about you)

You (all the time girl)

All of the time

(hey girl, what you tryin' to do

I mean, like, what you tryin' to put my body through)

Tunnel vision is takin' it's toll on me

Not to anyone else

It's only you I see

You're drivin' me crazy

Only got a one track mind

Thinkin' 'bout the way your body moves when you walk

by

And it's makin' me want you

(chorus)

(yeah, oh, and the hook goes...) (Keep thinkin')

Think (I think about you)

A-bout (I think about you)

(every second, every hour of the day)

You (all the time girl)

All (thinkin' 'bout you)

Of the time

(hey girl, what you tryin' to do,

I mean, like, what you tryin' to put my body through)

And I'm a trippin'

Showin' off your rose tattoo

Right above your ankle

What'chu tryin' to make me do oh, so, I can't eat, I can't

sleep

All I do is fantasize 'bout that look that's in your eyes

Really I do

(chorus)

(yeah, and the hook goes...)

Got me thinkin'

Think (constantly I've got you on my mind)

A-bout (I keep thinkin' about you)

You (all the time)

All (girl, I just think of you)

Of (don't know what else to do)

The time

(hey girl, what you tryin' to do

I mean, like, what you tryin' to put my body through)
I wonder if there is a chance for me
One possibility that I can make love to you
Been dreamin' and hopin' that your heart will open
My prayer come true
Make it come true
(rap)
Check this out, I said...
Fraire jacques, dorme vous, what'chu wanna do, the
World is spinnin' but I only seem to think of you, she
Said she never had a real boyfriend and mista a
Teenage love, don't you hurt me again, check the
Prognosis, you've got the style to content me, without
You in my life, I guess the whole thing would be
Empty, jiffy pop, love, you don't stop, you got me
Sinkin', visualize your body as I'm thinkin',
I'm thinkin'
(chorus)
Think (constantly, I've got you on my mind)
(I think about you)
A-bout (I keep on thinkin' about you)
(I've got you on my mind)
(all the time) (all the time girl)
All (girl, I just think of you)
Of (don't know what else to do)
The time
(hey girl, what'chu tryin' to do
I mean, like, what'chu tryin' to put my body through)
(repeat chorus)
