Baby you're a garbage dump
And I'm your garbage truck
I'd kiss you but I know it'd suck
Cuz your lips have got hairs and bumps
Ooooh c'mon
Rock!

I'm gonna shake you
I hope to break you
Ugly chicks dig my kicks
Thank God rock and roll is blind

She's got a tongue like a greasy floor
It don't matter, she's a rock and roll whore!
She's on the prowl like a rhino queen
So I autographed her acid wash jeans
Oh hell yeah
Rock!
I like it...

I'm gonna shake you
I hope to break you
Trick or treat
Smell my feet
You rock whore

She's got an ass like the rising sun
It don't end until the day is done
I love her cuz I know it won't last
That's what you get for a backstage pass
Rock and Roll Whore!
