"Hiding All The Stars"

Visit "[Hiding All The Stars](#)" on MotoLyrics.com

You can say what you want
Find the path that you've lost somewhere.
Be a fly on the wall
Take a dive or a fall in prayer.
Everyday there's a choice
Nothing gained from the path we know.
They're the ones to be wrong
Hiding all of the stars out there.

You can say what you want
Find the path that you've lost somewhere.
Be a fly on the wall
Take a dive or a fall in prayer.
Everyday there's a choice
Nothing gained from the path we know.
They're the ones to be wrong
Hiding all of the stars out there.
