If you could see me here this way
Looking backwards from today
Would you do it all again?

If I could roll it back to you
Just like lovers always do
I'm stoned in love but not with you

Good love
?Cause when I'm feeling stoned in love
It's hard not feeling love
I feel that love is weighed in stone
When I'm feeling stoned in love

Good love
?Cause when I'm feeling stoned in love
It's hard not feeling love
I feel that love is weighed in stone
When I'm feeling stoned in love

If we could wash the past away
Would we go our separate ways
Or do it all again? As if I can

Is this the way it's meant to be?

It's stoned in love but not with me, yeah
You're stoned in love but not with me

Good love
?Cause when I'm feeling stoned in love
It's hard not feeling love
I feel that love is weighed in stone
When I'm feeling stoned in love

Good love
?Cause when I'm feeling stoned in love
It's hard not feeling love
I feel that love is weighed in stone
When I'm feeling stoned in love

Stoned in love

I'm stoned in love but not with you

Good love

?Cause when I'm feeling stoned in love

It's hard not feeling love

I feel that love is weighed in stone

When I'm feeling stoned in love

Stoned in love, stoned in love

Stoned in love, stoned in love

Stoned in love, stoned in love

Stoned in love but not with you

As if I can

If I can
