(3, 4!)

Imagine what is possible  
You think you separate time  
Latitude and longitude  
I can see no use

Aeroplane, oh no  
It's such a long way to go  
I complain, and I moan  
It's such a long way  
A long way back home

Cuddle up in London town  
(unsure) blues  
All the days seem longer now  
And the seas so cruel

Aeroplane, oh no  
You've such a long way to go  
I complain, get me out  
You're such a long way  
A long way back home  
Back home x3

My lip's as dry as bone  
Walking a make believe dope  
Wait til I get you alone  
Sleeping in each other's arms

Sha! x4

Aeroplane , oh no  
You've such a long way to go  
I complain, and I moan  
You're such a long way to go  
Aeroplane, oh no  
You've such a long way to go  
I complain, get me out  
It's such a long  
A long way back home

(Sha!)
