Let this one go
Take your steps back
This boat has passed
This boat has passed

Cross over the bridge
Walk down through the park
By the swings set
You'll find me there
You'll find me there

Oh Lord, when this rain clears
The spring will return
Will all my hopes fade?
Will this boat be saved?

Heading down to the cliffs by the ocean
I followed you into the sea
Into the sea

Oh Oh Oh Oh Oh
My ship was sailing

Oh Oh Oh Oh Oh
As my star faded

Down, down, down to the sea
I let go

The winds would blow through here like nothing before
The sleeping sky, the me, in awe
and lay atop rocks with my face to the sky
And the tide closing in (the tide closing in)
And the tide closing in

Oh Oh Oh Oh Oh
My ship was sailing

Oh Oh Oh Oh Oh
As my star faded

Down, down, down to the sea
I let go

Oh Oh Oh Oh Oh
My ship was sailing

Oh Oh Oh Oh Oh
As my star faded

Oh Oh Oh Oh Oh
My ship was sailing

Oh Oh Oh Oh Oh
As my star faded

Down, down, down to the sea
As it washed over me
I let go
