whatever

I went down to the beach
and saw KIKI,
she was all like 'ehhhh'
and i'm like whatever

whatever

And this chick comes up to me
she's all like Hey aren't you that dude...
i'm like Yeah Whatever!

So later, i'm, i'm at the pool hall
and this girl comes up
she's all like: uhhh
and i'm like: Yeah whatever!

'cause this is my unites states of whatever
'cause this is my united states of whatever
and this is my united states of whatever

and it's 3 A.M.
i'm round the corner wearing my leather
and this dude comes up to me he's like Hey Punk!
and i'm like Yeah whatever

then i'm throwing dice in the alley
officer Leroy comes up
he's like hey i tought i told you..
i'm like Yeah, whatever!

then up comes zafwa
im like: yo zafwa, wassup
he's like nothin
im like that's cool

'cause this is my United States of whatever
'cause this is my United States of whatever
and this is my united states of whatever

'cause this is my United States of whatever
and this is my United States of whatever
