I won't run from
these things that are(n't)
chasing me yet
I'd never win

If they were close behind
One my heels
On my mind
When I saw you
I knew that they weren't that far behind

I won't be the one that's on the run
oh yeah
I want to live these days
not be the haze that sits
So what is done
is done
oh has it come
to this

Every morning
I wake on the rocks somewhere
I'm glad I'm alive
I won't hide I shipwrecked
have I washed ashore yet
I'm not running
I blame the waves that brought me here

And I'm not the one that
taught the sun to set
and now night has come
trying to sleep in
the new bed
walk down the street but
keep your feet under your head
I'm here but I'm not there
and I swear I won't forget
I'm sorry
I'm not to blame
I can't help it
Things have changed

Things have changed
Thats all
And I know that its ok
Things have changed
Thats all
but I know that it's ok
Things have changed
Thats all
but I know that it's ok
Things have changed
Thats all
but I know that it's ok
