### "The Man I Love"

Someday he'll come along the man I love  
And he'll be big and strong the man I love  
And when he comes my way  
I'll do my best to make him stay

He'll look at me and smile I'll understand  
And though it seems absurd  
I know we both won't say a word

Maybe I shall meet him Sunday  
Maybe Monday not  
Still I'm sure to meet him one day  
Maybe Tuesday will be my good news day

He'll build a little home just meant for two  
From which I'll never roam who would would you  
And so all else I'm waiting for the man I love
