Take him out the back  
Throw him in the bin  
Dump his grimy clothes  
Wash your dirty hands

Fake you're-on-a-walk  
Walk up Bellview creek  
Find a secret spot  
Check you're in the clear  
Strip from head to toe

Fix yourself with cream  
Drop into the stream  
Fix yourself with cream  
Drop into the stream

Steal a silver car  
Drive up to the town  
Meet my nephew's son  
Show you to our lair  
Then you drop the knife

Money's in the fridge  
Use the secret phone  
I'll be at the beach  
I'll be on the beach  
I'll be at the beach

Muster up the strength  
Fight a fairy snake  
Fill the sacred pub  
Joust him in the teeth  
Dress up like a man

Paint your golden face  
Look down through the cracks  
Break the perfect fence  
Listen for the train  
Ride it to? Park

Lather in the sea  
Shark-infested seas

Swim up to the rocks  
Find a sunken box  
Tell a mermaid, 'oh'

Tie the whales down  
Ride the raging fence  
Turn it to the east  
Turn it to the east  
Turn it to the east

Here's a tiny screw  
Leave it in the wrist
