I've put myself, await the  
I'm pushing off beyond life  
I've put myself, await the  
I'm pushing off beyond life

The spiral down, you're coming back the day  
And again, and again and again and again  
These friends of ours, they seem pretend  
Again and again and again and again and again, yeah

I've put myself, await the  
I'm pushing off beyond life  
I've put myself, await the  
I'm pushing off beyond life

It's cultural disease to see the life  
So I want you out!

Cause I want you, I want you, out  
Cause I want you, I want you, out  
Cause I want you, I want you, out  
Cause I want you, I want you, out
