open your eyes and see my face  
slow down for me in this dirty rat race  
you could be fat, you could be thin  
wake up with me in a in the raddisson  
It's two for one or one for free  
get it now cos it's a freebie  
one, two, three, four  
I'm the one that you adore

99 cents

I'm not crazy about money, but  
I like what it can do  
Shopping is a cultural activity  
In this worlds nothings for free  
Buy a book or buy a car  
Look what a stud you are  
Its not the what, its more the where,  
Who you know and how

99 cents  
luxury, the income tax of vanity

supermarket shoppers all over the world  
It's not as cheap as it may look  
rob you blind cos I'm a crook  
read all about it in john pilgers book

Rattrap, I see a rat trap  
but the cheese I want the sleaze, sleaze sleaze so  
jimmy up the street singing something great to the  
beat  
goody goody boy, got you back in town  
gotta go gotta go  
gotta go gotta go  
where is what with who and how  
you want it fast you want it now  
give it to me right now high and low  
fun and free got loads of dough  
life is fast life is cheap  
got nothing to do but hang in the street  
where is what with who and how

you want it fast you want it now

99 cents chorus
