catch, hold, spin, go,  
stand, stop, look, know,  
dip, dive, mop, flip,  
yell, crave, storm, skip,  
bite, rip, fuck, scratch,  
jump, click, run, carpet,  
shine, punch, turn, jump,  
cum, flush, [shout], zoom,  
dip, touch, zip, slide.

pirates are harry,  
space is not the place for hiking  
pricks are loitering networked out,  
leaching something & stepping ahead,  
choice is the choice,  
yell crave look skip

catch, hold...

the floating pyramids there up in the sky  
defining the boundaries we are all within  
this is much better then what money can buy  
the floating pyramids up in the sky

over the rainbow it's not quite right  
i saw a man with a face like a dog,  
at the traffic lights, howling at the sun

choice is the choice,  
yell, crave, look, skip,

catch, hold...

my hair monster her name is fenn o'berg  
in her sperm stained jeans,  
she knows that diamonds aren't a girl's best friend  
but this is much better then what money can buy,  
choice!

the floating pyramids there up in the sky,

defining the boundaries we are all within  
this is much better then what money can buy  
the floating pyramids up in the sky.

catch, hold...
