I just got home  
From the days that rescued me  
Things aren't what  
They used to be  
But I'm stayin' care free

I've said these words a thousand times  
Different phrasing and different rhymes  
But it's on the same two lines  
'cause I found your note  
Said "I'm leaving this town and I won't be back for you"  
I got your note  
And it feels good to be free

So don't say that I'm being cold  
I'm not I'm just feeling bored  
With the same old, same old me

And everything is just dollars and cents  
And everyone is making plans  
For the vacation that you can't afford  
You're gone.

'cause I found your note  
Said "I'm leaving this town and I won't be back for you"  
I got your note  
And it feels good to be free

It feels good to be free

'cause I found your note  
Said "I'm leaving this town and I won't be back for you"  
I got your note  
And it feels good to be free
