Do not stand at my grave and weep
I am not there, I do not sleep
I am a thousand winds that blow
I am the diamond glint on snow
I am the sunlight on ripened grain
I am the gentle, gentle autumn rain

Do not stand at my grave and weep
I am not there, I do not sleep
When you awake in the morning hush
I am the swift uplifting rush
Of quiet birds in circling flight
I am the soft, soft starlight, starlight at night

Do not stand at my grave and weep
I am not there, I do not sleep
